戶外體適能導師證書 Outdoor Fitness Instructor Certification

近年，本地運動風氣與日俱增。在 2019 新型冠狀病毒病的陰霾下，無論戶外或室內康體設施在疫情期間都全面關閉。過去多月，市民在抗疫期間無法如常前往各區康體設施進行體育運動，或許在身體機能上已出現大大小小的衰退。戶外體適能活動讓參與者接觸天然陽光，促進體內維他命 D 之合成，對骨骼健康大有裨益。另外，戶外體適能活動能提供更多機會讓人流汗散熱，促進體溫自我調節的生理機制。

The exercise culture in the local community has been positively developing for the past few years. Under the haze of COVID-19, nearly all of the outdoor or indoor sports and recreational facilities had been closed for a couple of months. The general public could not go out and utilize the sports and recreational facilities located in different districts as usual. That might cause a certain extent of deterioration among their physical functions. Outdoor fitness activities allow participants to get closer to the natural sunlight, promoting the biosynthesis of vitamin D in human body. It is very important to the musculoskeletal health. In addition, outdoor fitness activities also facilitate the thermoregulatory system of participants, providing the opportunity of normal sweating.

截至 2016 年底，康樂及文化事務署轄下已有超過 460 個戶外康樂場地，提供二千至三千個戶外健體設施予市民使用。再加上香港房屋委員會轄下的公共屋邨及居屋屋苑、香港房屋協會的屋邨及屋苑，甚至私人發展商的大型屋苑等，都設有各具特色的戶外康體設施，粗略估計整體數目數以萬計。更重要的是，相對於室內體適能活動而言，戶外體適能活動時間限制較少，經濟成本亦都比較低。由此可見，戶外體適能活動極具發展潛力，應該被受體適能業界重視。

Up till the end of 2016, Leisure and Cultural Services Department operate over 460 outdoor recreational venues in which two to three thousand outdoor fitness facilities are in service. Taking other outdoor fitness facilities owned by Hong Kong Housing Authority, Hong Kong Housing Society as well as the private residential properties into account, it is expected that there are nearly ten thousand facilities as a whole. Most importantly, compared to indoor fitness activities, the time restriction and economic cost associating with outdoor fitness activities seem to be little. As a result, outdoor fitness will be very prospective and should be highly recognized by the fitness industry.

要設計和組織周詳且完備的戶外體適能訓練方案，導師需要具備專門的理論知識和實務技巧。本會因應社會需要，特地在疫情稍稍緩和之際，推出該全新導師證書課程。我們盼望藉此鼓勵戶外健體愛好者、現職體適能導師和運動教練裝備自己，加入戶外體適能訓練的行列。

Designing and organizing a comprehensive and thorough outdoor fitness training plan is not an easy task. The instructor has to acquire specialized knowledge and practical skills. In response to the demand of the society, PFA specially launch this brand-new instructor certification course at the moment when COVID-19 has started to be alleviated. All fitness lovers, practicing fitness instructors and sports coaches are welcome to join and well prepare themselves for the outdoor fitness training career.
